<0.1% residual sugar

Fermentation Method: Whole cluster pressed, fermented cool in 30% new French Oak, aged sur lie for 10 months

VINEYARD

Silver Creek Vineyards & Lovingson Winery

DESCRIPTION

This wine's weight is offset by its acid and punchy aromatics.

Orange blossom, honey and baking spices on the nose head to grilled pineapple and honeysuckle on the palate. The finish is simultaneously bone dry and mouthwatering with a minerality that stays.

FOOD PAIRING

With a zippy spine that cuts through a mouth coating body, it is a natural pairing for a variety of foods year round. To match it's acidity and weight, fresh combinations like Caprese salad, oysters on the half shell or swordfish in lemon sauce are a natural pair.
